

INSTITUTION OF FREE MASONS C. 1725

The early history of this catechism, which is a manuscript version of The Grand Mystery of Free-Masons Discover'd (q.v.), is unknown. It was purchased c. 1905 from a dealer by Bro. A. F. Calvert of London. It consists of two leaves, 3 3/5" X 5 9/10", cut out of an old vellum-bound notebook, in which there were other writings which did not interest Bro. Calvert. It was purchased from him in 1941 by Bro. Douglas Knoop. The catechism is written on three sides and about a quarter of the fourth, the rest of the page being filled with some lines in a different hand headed "The Character of a Mason". Dr. Schofield of the British Museum MSS. Department is of opinion that it was written in the first half of the eighteenth century. It was reproduced photographically in

the Authors' Lodge Transactions, iii
(1919), following p. 408.
